

# CAPABILITIES STATEMENT

## Diverse Dimensions

One-Stop Metrology Services

[diversedimensions.com](http://diversedimensions.com)

616-772-5109

CAGE: 4DNH9

UEI: LCY4Q4BDZGG3

DUNS: 175469068

## Company Snapshot

Diverse Dimensions is a full-service precision measurement lab with over 20 years of experience in dimensional inspection and reverse engineering.

## Past Performance

- Lockheed Martin 3/2024
  - + First Article Inspection (FAI)
  - + Production Part Approval (PPAP)
- Plasan North America 3/2024
  - + Tooling Inspection
  - + Part Capability Study
- Paragon D&E 5/2024
  - + Reverse Engineering
  - + Part Inspection

## Core Competencies

- Metrology Professionals using:
  - Computed Tomography (CT), X-Ray
  - CMM, Laser Scanners & Trackers
- Dimensional Analysis
  - Part, Tooling & Fixture Inspection
  - Comparison to CAD
  - Gauge Certifications & Studies
- Reverse Engineering
- Model Generation

## Differentiators

- 1-3-day turnaround service
- CMMC Compliant
- DFARS 252.204.7012 & 7019 Compliant
- ISO 17025:2015 Accredited

## Point of Contact

Mark Ebels, General Manager  
616-772-5109
